At Mississippi the Best, We Offer the Best Experience

At Southern we provide an exceptional college experience. We are a diverse community of students, faculty and staff who work together to create a safe and secure campus environment. We are committed to providing a safe and secure campus environment for all our students, faculty and staff.

Our University Police Department is a multi-agency partnership between the University and the Hattiesburg Police Department. We are committed to providing a safe and secure campus environment for all our students, faculty and staff.
